FACTS & FIGURES

International trade fair and congress for safety and health at work.

4 – 7 November 2025

Düsseldorf, Germany

www.AplusA-online.com

Whether you are looking for innovations and solutions for every need or intensive dialogue with experts from around the globe, A+A is the No. 1 event for the international safety and health at work industry. No other trade fair attracts as many trade visitors intent on researching potential investments.

As Europe's largest discussion forum for occupational safety and health, the concurrent A+A Congress provides the framework for the industry to come together. This platform connects you to experts from the fields of politics, business, science and other related organisations.
